

Franklin's Class

Teacher: Lisa Rich, Assistant: Stacie Gibson
CDC: 234-8522 Lisa's Cell: 277-3780

Dear Franklin Parents,

Time flies when you're having fun! This six weeks we continue learning our phone numbers, working on the letters Q-V and learning all about the seasons. Letter sounds and signals are being reinforced through Zoophonics and we are learning to write the letter of the week. We will continue working on writing our first, middle and last names. We are also beginning to sound out words. If you have any comments or concerns, please do not hesitate to call or text me outside of school time.

In His Love,

Mrs. Lisa Rich

VIP SCHEDULE

Each child will have an opportunity to be the Very Important Person for a **week**. This round continues with each child bringing home a poster about themselves to be completed at home with the family's help. Your child will share a portion of the poster each day during the VIP time. On **Wednesday** your child needs to bring a show and tell **that starts with the letter of the week**. On **Thursday** your child may bring his/her **favorite book** to read to the class. Parents or Grandparents are welcome to do the reading. **VIP TIME:** 3:00PM.

The week of:

Feb. 16th-Dexter; Feb. 22nd-Gabe; Feb. 29th-Grant; March 7th-Dylan; March 14th-Cameron.

PARKING LOT SAFETY

It has come to our attention recently that people have been driving very fast in the parking lot during drop off and pick up time. Our pastor and some congregation members have feared for their safety. Please drive slowly through the parking lot and remember to mention this issue to caregivers, even ones who do not regularly pick up your child.

Important Announcement

Children may bring slippers for school when it is snowy and their boots are wet. Please put wet boots in the coat room since we sit on the floor.

More Important News

Thank You to our Parents

One of our greatest joys at CDC is the terrific parental involvement! We appreciate daily helpers, Party Helpers, involvement in conferences, communication regarding safety, communication of child issues, arrangement of play dates, getting children to school on time, and homework. It truly takes a village to raise a child and we are blessed to have so many watchful eyes and helping hands!

Conferences

We appreciate your participation in our Parent/Teacher Conferences. If you were unable to make the Feb. 11th conference, please see Mrs. Rich to schedule a time.

Class Pictures

Class pictures will be taken on Tuesday, March 22nd. Individual pictures will be offered as well. You are under no obligation to purchase them. They are offered as a purchase opportunity.

Registration at Shepherd for the 2016/17 School Year

Registration for the next school year at SOTHCDC began during parent-teacher conferences and goes through February 19th for **siblings** of children already enrolled in the program. Registration for prior families & church families is February 22nd-26th. Open registration for the general public will start on February 29th.

Alternate Entrances

During snowy weather, the front, south, and north doors of the church will be open. Please use those alternate entrances when it is icy! The church requests that you not go through the parish hall so the carpets do not get too muddy & wet, but rather enter the coat room through the preschool itself.

Violin Concert

Our Franklin Class Pajama Violin Concert will be **Thursday, March 3rd at 12:30 pm**. Parents will go to the sanctuary after dropping your child off in the classroom. The students should wear their pajamas to school. Please put long hair up and avoid bulky collars or jewelry. It makes it easier for them to hold their violins. We look forward to showcasing our talents and new skills!

Details, details...

Snacks

For birthdays, you may bring healthy treats to share. We respectfully request **no cupcakes**. Think small...mini muffins, Jello, fruit, veggies.

Violin Switch

Mrs. Mothersbaugh has asked if we could switch violin class from Thursday March 17th to **Wednesday March 16th** because Hospice has a staffing shortage.
